A screenshot of the DataCamp website's homepage. The main navigation bar includes 'Learn', 'Workspace', 'Certification', and 'Talent'. A search bar says 'Search Catalog' and a 'Upgrade' button is visible. On the left, a sidebar titled 'My Progress' lists 'My Bookmarks', 'Leaderboard', 'Assignments', and sections for 'Catalog' (Tracks, Skill Tracks, Career Tracks), 'Competitions (BETA)', and 'Assessments'. The main content area shows 'Courses' like 'Statistics Fundamentals with R', 'Data Manipulation with R', and 'Statistics Fundamentals with Python', each with a 'Start Assessment' button. Below this is a 'Daily Practice' section with three cards: 'Introduction to R' (250 XP), 'Introduction to Python' (250 XP), and 'Introduction to SQL' (250 XP), each with a 'Start Course' button.
